Welcome back to all pupils at Park School.

It is with great pleasure that I welcome you all back the start of the new academic year here at Park School. I am sure that there will be many interesting and different things going on this year including the return of the PDP programme of activities and our new Friday afternoon enrichment. As a great example of this, we amazingly have a race horse visiting us here on Tuesday this week! Also, some of the PDP activities will start again this week to.

I am really looking forward to seeing how your new class groups settle in together and seeing everyone around the two sites as often as I can. I hope that our new staff and pupils will quickly become part of the excellent Park School Team.

Have a lovely week everybody,

Jim

SCHOOL COUNCIL

2023-2024 was a very successful year for the school council. They met termly to discuss important issues within the school with the aim of making Park School a more enjoyable and successful experience for all of its students. They helped to give all of you a voice.

Notable achievements that the school council created and contributed to last year included:

- ✓ A weekly school newsletter for students
- ✓ Personal Development Programme – more trips and visits to support your learning
- ✓ Fundraising Week – raising over £300 for local charities
- ✓ Points mean prizes – school shop for students set up where students can trade the points achieved in lessons for prizes.

Would YOU like to be part of the 2024-2025 School Council?

We will need one representative from each tutor group in the school to be a part of the school council this year. We will need someone who is:

- Willing to attend termly meetings
- Can communicate well with students and staff
- Listens to others
- Creative with their ideas and hardworking
- Mature and sensible approach
- A role model to others

If this is you then please nominate yourself to your form tutor and then you may need to have a class election to choose the representative! Many thanks Harry & Ellie
